Return to Duty Process (FAA Regulated Employees)

[Payment Assistance Options Available - CLICK HERE](#)

1. Initial SAP Evaluation:

- This is your first meeting with your SAP. They will discuss your violation with you.
- Visit our Payment Center to make a payment for your Initial SAP Evaluation.

[Payment Center \(Payment Assistance Options Available\) - CLICK HERE](#)

- One of our customer service specialists will call to schedule your appointment.

2. Recommendation and NON-DOT Testing:

- After your Initial SAP Evaluation, your SAP will recommend education or treatment.
- You will receive a list of approved Education or treatment providers. Choose one and start on your recommendation.
- After completing your recommendation, you will take a non-DOT Alcohol and Drug Test.

Costs to Keep in Mind: *The cost of your education or treatment program is separate from the cost of your Initial and Follow-Up evaluations. We will work with you to find the most affordable provider!*

3. Follow-Up SAP Evaluation:

- This is your second meeting with our SAP to review your progress.
- Once your SAP says you are eligible to return to duty, you may take a DOT Return To Duty Test with your current or new employer.
- We will send your SAP reports and follow-up testing plan to your employer.

4. RTD Test with Negative Results:

- Your current or new employer will schedule your DOT Return To Duty Test.
- Your employer must receive your negative results on hand
- With a negative result, you are officially cleared to RETURN TO DUTY!

5. Follow-Up Testing Plan:

- Your employer is responsible for ensuring you complete the Follow-Up Testing Plan, including all required follow-up tests.
- If you change jobs, your previous employer must transfer the SAP reports and the follow-up testing plan to your new employer upon your request.
